6. Introduction

6.1. Background

Imphal Smart City Limited (ISCL), a special purpose vehicle (SPV) company is formed by Manipur State Government, as per guidelines of the Smart City Mission (SCM) of the Ministry of Urban Development (MoUD) and Government of India (GOI), for the Construction and Development of Infrastructure in the City. ISCL is also referred to as 'authority' in bid documents.

In order to meet the parking needs of the area, it is proposed to have a Multi Level Car Parking (MLCP) facility using modern technology to accommodate at least 150 ECS and 100 two-wheeler parking at Old Power House Complex Keishampat, Imphal. Imphal Smart City Limited (ISCL)/ Government of Manipur (GoM) has earmarked a land plot at Old Power House Complex, Keishampat, of area approximately 1 acre for Development of Multi-Level Car Parking (MLCP) with Commercial Complex Development under Public Private Partnership (PPP) mode.

The construction of the project is on Design-Build-Finance-Operate and Transfer (DBFOT) basis for the Commercial Complex and on Design-Build-Finance-and Transfer (DBFT) basis for the MLCP under which the developer will Design, Finance, Construct, Maintain and/or Operate the project for the entire Concession Period. However, for the MLCP portion, Concessionaire will hand over the completed facilities post issuing the completion certificate by the independent engineer and acceptance by the same by the authority and ISCL shall maintain and operate that facility.

6.2. Scope of the Project

Government of Manipur (GOM) through Imphal Smart City Limited (ISCL) Imphal intends to undertake various infrastructure projects for implementation on Public Private Partnership (PPP) Mode under "Smart City Development Plan" Scheme for Imphal city of the State.

Under this, a need to develop a MULTI LEVEL CAR PARKING (MLCP) and a Commercial Complex to accommodate at least 150 equivalent car space (ECS) and 100 Two-Wheeler parking at Old Power House Complex Keishampat, Imphal has been identified. The tentative cost of the project is Rs. 153.77 Cr.+/- 10%.

The project site is located at Old Power House Complex, Keishampat, Imphal, with total land area of approximately 1 acre, will be provided for CONSTRUCTION OF MULTI LEVEL CAR PARKING (MLCP) and Commercial Complex under PPP mode.

The successful bidder shall Design, Build, Finance, Operate and Transfer (DBFOT) Commercial Complex and shall Design, Build, Finance and Transfer (DBFT) Multi-level Car Parking (MLCP) at Old Power House Complex, Keishampat and allied facilities on the land plot earmarked for the purpose over the concession period of 40 years (including construction period of 36 months), after which the facility will be transferred to the Authority. The MLCP shall be handed over to ISCL after commissioning (max. period of 36 months) and the commercial complex will be maintained and operated for the entire concession period, extendable to a maximum of another

30 years on “First Right of Refusal Basis”. ISCL shall operate and maintain the MLCP for the entire Concession period.

The commercial complex will be maintained and operated for the entire concession period, extendable to a maximum of another 30 years on “First Right of Refusal Basis”. ISCL shall operate and maintain the MLCP for the entire Concession period.

Imphal Smart City Limited (ISCL), through this RFP, invites the Bidders to participate in the tender to Design, Build, Finance, Operate and Transfer the Multilevel Car Parking (MLCP) at Old Power House Complex, Keishampat in Imphal.

The successful bidder shall construct within 36 months following facilities and get all the necessary approvals for construction and commercial operations from the effective date:

It is proposed to develop a modern Multi-Level Car Parking with Retail/ Commercial Complex facilities at the above-mentioned site. The same shall be available for the Project with “**Scope of Work**” as given below, while complying with applicable laws, including but not limited to the local building by-laws:

- Preparation of Detailed Project Report (“DPR”) including detailed design, technical specification and cost estimates for the Project. It is clarified that separate DPR should be prepared and submitted in soft copy (Pen drive written) & 5 hard copies for approval of the ISCL. The concessionaire will vet the Detailed project report, Drawings, Design and costing etc related with project from IIT/NIT and related cost will be borne by concessionaire. The vetted report will be submitted to authority for further approval
- The project should have minimum 150 ECS (Equivalent Car Space) parking capacity and 100 Two-wheeler parking for the Public Parking to be handed over to ISCL or its legal successor, including suitable provisions for electric charging for 4 wheelers and 2 wheelers.
- Construction of public conveniences at the MLCP as may be notified by the Authority
- Construction of car parking areas with demarcated parking slots.
- Construction of Commercial Complex as permitted by applicable law, including but not limited to local building by-laws.
- Provide a contiguous built-up area, along with all related facilities/ utilities/ infrastructures to be developed in MLCP-cum-Commercial Complex.
- The site shall be planned for effective traffic circulation so as not to disrupt it any time all through the construction and O & M phase of the concession period. This includes, but not limited to, use of adequate barricading of area, caution tapes, necessary warning boards, staff, etc. to maintain uninterrupted safe normal working around the site.

To meet the above requirements, the Bidder shall have the full right to design the respective Site as a whole, with above noted conditions.

Under the Design, Build, Finance, Operate & Transfer (DBFOT) model of working, the selected bidder, called concessionaire, delivers his services with his resources during concession period made up of above five stages of project development for creation of the desired asset.

REQUEST FOR PROPOSAL FOR DEVELOPMENT OF MULTI LEVEL CAR PARKING (MLCP) (on DBFT basis)
AND DEVELOPMENT OF COMMERCIAL COMPLEX (on DBFOT basis) AT OLD POWER HOUSE COMPLEX,
KEISHAMPAT

The obligations of the concessionaire and the authority may be seen in the article 5 and 6 of the concession agreement to be signed between the successful bidder and the authority.

The Successful Bidder shall be required to submit five (5) copies of DPR for Multi-Level Car Parking- cum-Commercial Complex at Old Power House Complex, **Keishampat, Imphal**, to the Authority for vetting. The Authority would perform quality check and certify the Project post completion.

The Successful Bidder shall develop the site and make available revenue share to AUTHORITY in lieu of the development rights granted for the Project for "Concession Period" and at the end of the Concession Period, the Project will be transferred back to the Authority, in accordance with the provision of the Concession Agreement that will be executed in the format prescribed by the Authority.

The Bidder should note that there will be no transfer in title to the land on which the Project is being developed. The land comprising the Site of Project shall continue to vest with the Authority or the relevant Government agency or Imphal Smart City Limited, as the case may be.

The Bidders must note that they would be required to follow the applicable law for construction and development of the Project, including local building by-law requirements regarding floor area ratio, ground coverage, minimum parking requirement, and other statutory rules/regulations and other prevalent applicable regulations.

The Authority shall hand over the encumbrance free site and shall also change the land use before handing over the same to the Bidder. The demolition, removing and clearing of all existing buildings, trees and utilities are also the scope of concessionaire. Before starting demolition & clearing works of existing site, Concessionaire will submit a demolition plan to Authority and after approval they will start the work. Cost of all site clearing works will be borne by concessionaire.

6.2.1. Instructions to Bidders

6.2.1.1. The Bidder should note that there will be no transfer in title to the land on which the Project is being developed. The land comprising the Site of Project shall continue to vest with the Authority or the relevant Government agency or Imphal Smart City Limited, as the case may be.

The Bidders must note that they would be required to follow the applicable law for construction and development of the Project, including local building by-law requirements regarding floor area ratio, ground coverage, minimum parking requirement, and other statutory rules/regulations and other prevalent applicable regulations.

6.2.1.2. The proposed Site is considered suitable for commercial development given its location, size and connectivity. The Concessionaire is encouraged to develop a Commercial Complex as per his plan on the site and to use his ingenuity to maximize the value from the property and factor the same in the Proposal submitted. Provided that any such development shall be subject to the Concessionaire obtaining the requisite approvals under the applicable law including the local

The Concessionaire shall submit the details of the proposed novatee along with its other qualifications (financial and technical capabilities) to the Authorities for its due approval. Novatee, the Concessionaire and the Authority shall enter into a tripartite agreement. Authority shall reserve the right to reject any novation at any time. No further novation shall be permitted.

11 METHODOLOGY & CRITERIA FOR EVALUATION OF FINANCIAL BID

11.1. Financial Proposal Evaluation

This part of the RFP provides information on the methodology that will be used to evaluate the Financial Proposals received.

The Project will be awarded to such Eligible Bidder, which submits a responsive Bid and offers to enter into a Draft Concession Agreement on the best financial terms with ISCL.

These RFP Documents stipulate the minimum qualification for the Project. These RFP documents may be amended, or technical and financial parameters of the Project may be changed by Imphal Smart City Limited (ISCL) by issue of an Addendum. Such an Addendum will form part of these RFP documents and would be common for all the Bidders. Bid Evaluation Committee reserves the right to reject the Proposals, which do not conform to the provisions stipulated in the RFP Documents.

Financial Proposal of only the Bidders who have achieved on 50% or more marks after evaluation of Technical Bid, would be opened and evaluated. The Financial Proposals of the non-responsive Bidders would not be opened.

Bid Evaluation Committee shall evaluate and submit its recommendations to the competent authority.

11.1.1. Responsiveness of Financial Proposal

Bid evaluation committee (BEC) through Imphal Smart City Limited (ISCL) will open Financial Bid of only who have achieved on 50% or more marks after evaluation of Technical Bid as per Section 8.1.7 of this document. Any bid containing caveats/ deviations from RFP Documents is liable to be rejected by BEC/ Imphal Smart City Limited (ISCL).

Bidder will be ranked as per the quoted maximum one-time lease premium subject to a minimum of Rs 12.21 Cr (Rupees twelve crore & twenty one lakh) in lieu of retaining the complete Commercial space for evaluation. The highest quoted bidder will be selected by Authority.

in the event that two or more Bidders quote the same Financial Proposal, and in turn becomes the highest Bidder (the "Tie Bidders"), the Authority shall identify the Preferred Bidder by draw of lots, which shall be conducted, with prior notice, in the presence of the Tie Bidders, who choose to attend.

11.1.2. Determination of Preferred Bidder

- Imphal Smart City Limited (ISCL) shall issue a Letter of Intent (LOI) to the Successful Bidder after obtaining approval from the Competent Authority which needs to be accepted by the successful bidder within 7 days of issuance of Letter of Intent.
- The Successful Bidder shall enter into Concession Agreement with ISCL for the

REQUEST FOR PROPOSAL FOR DEVELOPMENT OF MULTI LEVEL CAR PARKING (MLCP) (on DBFT basis)
AND DEVELOPMENT OF COMMERCIAL COMPLEX (on DBFOT basis) AT OLD POWER HOUSE COMPLEX,
KEISHAMPAT

implementation of the project within 45 days of issuance of LOI.

- The successful Bidder shall be required to give performance security before signing of the Concession Agreement within 30 days of issue of Letter of Intent. If the Successful Bidder fails in entering into contract (Concession Agreement) as required within 45 days of issue of LOI without giving the required clarifications to the satisfaction of Imphal Smart City Limited (ISCL), Imphal Smart City Limited (ISCL) reserves the right to begin negotiations with the next highest ranked Bidder and cancel the LOI issued & forfeit the submitted EMD amount.
- Imphal Smart City Limited (ISCL) also reserves the right to reject any Proposal if:
 - At any time, a material misrepresentation is made or uncovered, or
 - The Bidder does not respond promptly and thoroughly to the requests for supplementary information required for evaluation of the Proposal.
 - The Proposal deviates from the commercial parameters of these RFP Documents.
